THE CATALOG

This catalog lists many of the items we offer, but it is far from being a complete listing. Our inventory is available on our website, bigelownurseries.com, as well as our wholesale catalog. Password for our wholesale catalog is *growinggreen*(all one word). We also, as always, can review your specific plant lists to potentially locate material not listed. Prices do fluctuate, especially in our current market, and we happily can provide current quotations. These prices are effective January 1, 2023, cancel all previous prices and are subject to change without notice.

THE FARMS

We currently have farms in Northboro, Boylston, Chariton, and Sterling growing plants in the field and in container, with a strong emphasis on native plants. As a century old grower, we certainly understand the long term logic of sustainable agriculture. We energetically support both our industry's and environmental community's efforts to provide education of the critical role that plant material plays in clean water, climate, habitat restoration, erosion, and quality of life.

WHOLESALE QUALIFIED CUSTOMERS

Landscape Contractors, Nurseries, Landscape Designers, Landscape Construction, Garden Centers, Golf Courses, Municipal, State, and Federal Agencies.

Wholesale customers are welcomed during posted wholesale hours. Clients of qualified wholesale customers are also welcome if accompanied by our wholesale customer. Unaccompanied homeowners and your landscape customers will be charged retail pricing. Plants purchased and selected with our retail sales people will be charged retail prices.

TERMS AND CONDITIONS

Our terms are cash. We accept Visa, Mastercard, Discover, and American Express. Credit may be arranged for responsible parties.

Overdue accounts are subject to a 1-1/2% per month (18% per annum) plus cost of collection. A charge of \$100.00 will be assessed for returned checks.

Orders picked up or delivered in Massachusetts will be charged 6.25% sales tax unless we have a Massachusetts or Federal Sales Tax Exemption Certificate in our files. We accept all orders subject to the approval of management, prior sales, and circumstances over which we have no control.

ORDERS

Orders should be emailed, faxed, or phoned in to insure availability. Email addresses of our wholesale sales staff are on our website. If an order is not placed prior to visiting the nursery, availability may need to be checked before material can be purchased. If you would like to be at the nursery and tag material yourself, please call and make an appointment. We maintain one of the largest B&B inventories in the Northeast. We also maintain large well stocked perennial and container nursery yards, that can be shopped anytime during wholesale hours.

For pickups with adequate notice we will try to have orders assembled at the time you wish to pick up. We require tarps be provided by the customer.

TAGGING, SALES HOLDING POLICY

We will hold orders and tagged material for three weeks from point of sale until June 1, after which we will hold orders for two weeks. Orders held past these time frames will be subject to 25% non-refundable deposits and a 10% per month holding fee. Cancellation of staged or loaded orders will result in a 20% restocking fee. Contract grow terms are established on a case by case basis.

FALL DIGGING

A 25% non-refundable deposit is required on all plant material dug after September 1 for new customers without an established sales history and for all customers after October 15th.

RETURN POLICY

Orders returned will be charged a 15% restocking fee. Returns must be made within 48 hours and plants need to be in same condition as when they left the nursery.

DELIVERY INFORMATION

We deliver all over the Northeast including Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, Vermont and New York.

Freight charges are quoted based on delivery location and truck requirements. Customers receiving deliveries are expected to supply the labor and equipment to unload. Additional freight charges will be incurred if drivers are detained beyond a reasonable time period. Discrepancies on counts must be noted at time of delivery on shipping papers.

GUARANTEE

Our warranty states that plants are true to variety and healthy at the time of pickup or delivery. Acceptance of the plant material implies that the buyer agrees the plants are healthy. We offer no further guarantee and accept no responsibility for plant damage resulting from poor care received after leaving the nursery. We accept no responsibility for the guarantees our customers give their customers.

We are glad to correct errors. Liability, in all instances will be limited to the purchase price of the plant and will consist of a credit refund or replacement of the stock at our option. Claims will not be considered on accounts not paid when due.

OUR AIM IS SATISFIED CUSTOMERS

We know that no business can grow or even exist without the goodwill and support of its customers. We are constantly working to bring you better plants and improved varieties at reasonable prices.
